« Представитель Белорусской Советской Социалистической Республики с сожалением должен заявить, что Конференция отказалась от рассмотрения внесенной делегацией СССР и поддержанной представителем БССР резолюции, призывающей Правительства всех государств принять на себя безоговорочное обязательство не применять атомного, водородного и других видов оружия массового уничтожения.

Отказ от применения этого рода оружия имеет прямое отношение к охране культурных ценностей во время вооруженного конфликта, так как применение такого оружия привело бы к массовому уничтожению мирного населения, а также создававшихся народами на протяжении многих столетий культурных ценностей. The representative of the Byelorussian Soviet Socialist Republic notes with regret that the Conference refused to discuss the resolution submitted by the USSR delegation and supported by the representatives of the Byelorussian Soviet Socialist Republic calling on the governments of all countries to undertake unreservedly to refrain from the use of atomic, hydrogen or other weapons of mass destruction.

Prohibiting the use of this type of weapon is of vital importance for the preservation of cultural property in time of armed conflict as the use of such weapons would lead to the mass destruction of peaceful population in addition to the cultural property created by nations over hundreds of years.

Such being the case, the Conference's acceptance of the aforementioned resolution would have constituted an important contribution to the work of the preservation and defence of cultural property.

Le représentant de la République Soviétique Socialiste Biélorussienne doit déclarer avec regret que la Conférence a refusé de discuter la Résolution présentée par la délégation de l'Union des Républiques Soviétiques Socialistes et appuyée par les représentants de la République Soviétique Socialiste Biélorussienne invitant les gouvernements de tous les pays à assumer sans aucune restriction l'obligation de ne pas employer d'armes atomiques à hydrogène ou d'autres engins de destruction massive.

L'interdiction d'employer ce genre d'armes tient une importance capitale pour la préservation des biens culturels en temps de conflit armé parce que l'emploi de telles armes amènerait une destruction massive de la population pacifique ainsi que des biens culturels créés par les peuples pendant plusieurs siècles.

Vu ceci, l'acceptation par la Conférence de la Résolution citée ci-dessus aurait constitué un apport considérable à l'œuvre de la conservation et de la défense des biens culturels.

## RESOLUTIONS

## RESOLUTION I

The Conference expresses the hope that the competent organs of the United Nations should decide, in the event of military action being taken in implementation of the Charter, to ensure application of the provisions of the Convention by the armed forces taking part in such action.

## RESOLUTION II

The Conference expresses the hope that each of the High Contracting Parties, on acceding to the Convention, should set up, within the framework of its constitutional and administrative system, a national advisory committee consisting of a small number of distinguished persons: for example, senior officials of archaeological services, museums, etc., a representative of the military general staff, a representative of the Ministry of Foreign Affairs, a specialist in international law and two or three other members whose official duties or specialized knowledge are related to the fields covered by the Convention.

The Committee should be under the authority of the minister of State or senior official responsible for the national service chiefly concerned with the care of cultural property. Its chief functions would be:

*a)* to advise the government concerning the measures required for the implementation of the Convention in its legislative, technical or military aspects, both in time of peace and during an armed conflict;

*b)* to approach its government in the event of an armed conflict or when such a conflict appears imminent, with a view to ensuring that cultural property situated within its own territory or within that of other countries is known to, and respected and protected by the armed forces of the country, in accordance with the provisions of the Convention;

*c)* to arrange, in agreement with its government, for liaison and co-operation with other similar national committees and with any competent international authority.

## RESOLUTION III

The Conference expresses the hope that the Director-General of the United Nations Educational, Scientific and Cultural Organization should convene, as soon as possible after the entry into force of the Convention for the Protection of Cultural Property in the Event of Armed Conflict, a meeting of the High Contracting Parties.

CONVENTION<sup>1</sup> FOR THE PROTECTION OF CULTURAL  
PROPERTY IN THE EVENT OF ARMED CONFLICT.  
DONE AT THE HAGUE, ON 14 MAY 1954

The High Contracting Parties,

Recognizing that cultural property has suffered grave damage during recent armed conflicts and that, by reason of the developments in the technique of warfare, it is in increasing danger of destruction;

Being convinced that damage to cultural property belonging to any people whatsoever means damage to the cultural heritage of all mankind, since each people makes its contribution to the culture of the world;

Considering that the preservation of the cultural heritage is of great importance for all peoples of the world and that it is important that this heritage should receive international protection;

Guided by the principles concerning the protection of cultural property during armed conflict, as established in the Conventions of The Hague of 1899 and of 1907<sup>2</sup> and in the Washington Pact of 15 April, 1935;<sup>3</sup>

Being of the opinion that such protection cannot be effective unless both national and international measures have been taken to organize it in time of peace;

Being determined to take all possible steps to protect cultural property;

Have agreed upon the following provisions :

<sup>1</sup> Came into force on 7 August 1956, three months after the deposit of five instruments of ratification, in accordance with article 33. Instruments of ratification or accession (a) have been deposited on behalf of the following States on the dates indicated :

## CHAPTER I

## GENERAL PROVISIONS REGARDING PROTECTION

*Article 1*

## DEFINITION OF CULTURAL PROPERTY

For the purposes of the present Convention, the term " cultural property " shall cover, irrespective of origin or ownership :

(a) movable or immovable property of great importance to the cultural heritage of every people, such as monuments of architecture, art or history, whether religious or secular; archaeological sites; groups of buildings which, as a whole, are of historical or artistic interest; works of art; manuscripts, books and other objects of artistic, historical or archaeological interest; as well as scientific collections and important collections of books or archives or of reproductions of the property defined above;

(b) buildings whose main and effective purpose is to preserve or exhibit the movable cultural property defined in sub-paragraph (a) such as museums, large libraries and depositories of archives, and refuges intended to shelter, in the event of armed conflict, the movable cultural property defined in sub-paragraph (a);

3. The Director-General shall send a copy of the letter of objection to the High Contracting Parties without delay. He shall, if necessary, seek the advice

of the International Committee on Monuments, Artistic and Historical Sites and Archæological Excavations and also, if he thinks fit, of any other competent organization or person.

4. The Director-General, or the High Contracting Party requesting registration, may make whatever representations they deem necessary to the High Contracting Parties which lodged the objection, with a view to causing the objection to be withdrawn.

5. If a High Contracting Party which has made an application for registration in time of peace becomes involved in an armed conflict before the entry has been made, the cultural property concerned shall at once be provisionally entered in the Register, by the Director-General, pending the confirmation, withdrawal or cancellation of any objection that may be, or may have been, made.

6. If, within a period of six months from the date of receipt of the letter of objection, the Director-General has not received from the High Contracting Party lodging the objection a communication stating that it has been withdrawn, the High Contracting Party applying for registration may request arbitration in accordance with the procedure in the following paragraph.

7. The request for arbitration shall not be made more than one year after the date of receipt by the Director-General of the letter of objection. Each of the two Parties to the dispute shall appoint an arbitrator. When more than one objection has been lodged against an application for registration, the High Contracting Parties which have lodged the objections shall, by common consent, appoint a single arbitrator. These two arbitrators shall select a chief arbitrator from the international list mentioned in Article 1 of the present Regulations. If such arbitrators cannot agree upon their choice, they shall ask the President of the International Court of Justice to appoint a chief arbitrator who need not necessarily be chosen from the international list. The arbitral tribunal thus constituted shall fix its own procedure. There shall be no appeal from its decisions.

8. Each of the High Contracting Parties may declare, whenever a dispute to which it is a Party arises, that it does not wish to apply the arbitration procedure provided for in the preceding paragraph. In such cases, the objection to an application for registration shall be submitted by the Director-General to the High Contracting Parties. The objection will be confirmed only if the High Contracting Parties so decide by a two-third majority of the High Contracting Parties voting. The vote shall be taken by correspondence, unless the Director-General of the United Nations Educational, Scientific and Cultural Organization deems it essential to convene a meeting under the powers conferred upon him by Article 27 of the Convention. If the Director-General decides to proceed with the vote by correspondence, he shall invite the High Contracting Parties to

transmit their votes by sealed letter within six months from the day on which they were invited to do so.

### *Article 15*

#### REGISTRATION

1. The Director-General of the United Nations Educational, Scientific and Cultural Organization shall cause to be entered in the Register, under a serial number, each item of property for which application for registration is made, provided that he has not received an objection within the time-limit prescribed in paragraph 1 of Article 14.

2. If an objection has been lodged, and without prejudice to the provision of paragraph 5 of Article 14, the Director-General shall enter property in the Register only if the objection has been withdrawn or has failed to be confirmed following the procedures laid down in either paragraph 7 or paragraph 8 of Article 14.

3. Whenever paragraph 3 of Article 11 applies, the Director-General shall enter property in the Register if so requested by the Commissioner-General for Cultural Property.

4. The Director-General shall send without delay to the Secretary-General of the United Nations, to the High Contracting Parties, and, at the request of the Party applying for registration, to all other States referred to in Articles 30 and 32 of the Convention, a certified copy of each entry in the Register. Entries shall become effective thirty days after despatch of such copies.

### *Article 16*

#### CANCELLATION

1. The Director-General of the United Nations Educational, Scientific and Cultural Organization shall cause the registration of any property to be cancelled :

(a) at the request of the High Contracting Party within whose territory the cultural property is situated;

(b) if the High Contracting Party which requested registration has denounced the Convention, and when that denunciation has taken effect;

(c) in the special case provided for in Article 14, paragraph 5, when an objection has been confirmed following the procedures mentioned either in paragraph 7 or in paragraph 8 of Article 14.

2. The Director-General shall send without delay, to the Secretary-General of the United Nations and to all States which received a copy of the entry in the Register, a certified copy of its cancellation. Cancellation shall take effect thirty days after the despatch of such copies.

## CHAPTER III

## TRANSPORT OF CULTURAL PROPERTY

*Article 17*

## PROCEDURE TO OBTAIN IMMUNITY

1. The request mentioned in paragraph 1 of Article 12 of the Convention shall be addressed to the Commissioner-General for Cultural Property. It shall mention the reasons on which it is based and specify the approximate number and the importance of the objects to be transferred, their present location, the location now envisaged, the means of transport to be used, the route to be followed, the date proposed for the transfer, and any other relevant information.

2. If the Commissioner-General, after taking such opinions as he deems fit, considers that such transfer is justified, he shall consult those delegates of the Protecting Powers who are concerned, on the measures proposed for carrying it out. Following such consultation, he shall notify the Parties to the conflict concerned of the transfer, including in such notification all useful information.

3. The Commissioner-General shall appoint one or more inspectors, who shall satisfy themselves that only the property stated in the request is to be transferred and that the transport is to be by the approved methods and bears the distinctive emblem. The inspector or inspectors shall accompany the property to its destination.

*Article 18*

## TRANSPORT ABROAD

Where the transfer under special protection is to the territory of another country, it shall be governed not only by Article 12 of the Convention and by Article 17 of the present Regulations, but by the following further provisions :

(a) while the cultural property remains on the territory of another State, that State shall be its depositary and shall extend to it as great a measure of care as that which it bestows upon its own cultural property of comparable importance;

(b) the depositary State shall return the property only on the cessation of the conflict; such return shall be effected within six months from the date on which it was requested;

(c) during the various transfer operations, and while it remains on the territory of another State, the cultural property shall be exempt from confiscation and may not be disposed of either by the depositor or by the depositary. Nevertheless, when the safety of the property requires it, the depositary may, with the assent of the depositor, have the property transported to the territory of a third country, under the conditions laid down in the present article;

(*d*) the request for special protection shall indicate that the State to whose territory the property is to be transferred accepts the provisions of the present Article.

### *Article 19*

#### OCCUPIED TERRITORY

Whenever a High Contracting Party occupying territory of another High Contracting Party transfers cultural property to a refuge situated elsewhere in that territory, without being able to follow the procedure provided for in Article 17 of the Regulations, the transfer in question shall not be regarded as misappropriation within the meaning of Article 4 of the Convention, provided that the Commissioner-General for Cultural Property certifies in writing, after having consulted the usual custodians, that such transfer was rendered necessary by circumstances.

#### CHAPTER IV

### THE DISTINCTIVE EMBLEM

### *Article 20*

#### AFFIXING OF THE EMBLEM

1. The placing of the distinctive emblem and its degree of visibility shall be left to the discretion of the competent authorities of each High Contracting Party. It may be displayed on flags or armlets; it may be painted on an object or represented in any other appropriate form.

2. However, without prejudice to any possible fuller markings, the emblem shall, in the event of armed conflict and in the cases mentioned in Articles 12 and 13 of the Convention, be placed on the vehicles of transport so as to be clearly visible in daylight from the air as well as from the ground.

The emblem shall be visible from the ground :

(*a*) at regular intervals sufficient to indicate clearly the perimeter of a centre containing monuments under special protection;

(*b*) at the entrance to other immovable cultural property under special protection.

### *Article 21*

#### IDENTIFICATION OF PERSONS

1. The persons mentioned in Article 17, paragraph 2 (*b*) and (*c*) of the Convention may wear an armlet bearing the distinctive emblem, issued and stamped by the competent authorities.

2. Such persons shall carry a special identity card bearing the distinctive emblem. This card shall mention at least the surname and first names, the date of birth, the title or rank, and the function of the holder. The card shall bear the photograph of the holder as well as his signature or his fingerprints, or both. It shall bear the embossed stamp of the competent authorities.

3. Each High Contracting Party shall make out its own type of identity card, guided by the model annexed, by way of example, to the present Regulations. The High Contracting Parties shall transmit to each other a specimen of the model they are using. Identity cards shall be made out, if possible, at least in duplicate, one copy being kept by the issuing Power.

4. The said persons may not, without legitimate reason, be deprived of their identity card or of the right to wear the armband.

The High Contracting Parties are agreed as follows :

### I

1. Each High Contracting Party undertakes to prevent the exportation, from a territory occupied by it during an armed conflict, of cultural property as defined in Article 1 of the Convention for the Protection of Cultural Property in the Event of Armed Conflict, signed at The Hague on 14 May, 1954.<sup>2</sup>

## III

6. The present Protocol shall bear the date of 14 May, 1954 and, until the date of 31 December, 1954, shall remain open for signature by all States invited to the Conference which met at The Hague from 21 April, 1954 to 14 May, 1954.

7. (a) The present Protocol shall be subject to ratification by signatory States in accordance with their respective constitutional procedures.

(b) The instruments of ratification shall be deposited with the Director-General of the United Nations Educational, Scientific and Cultural Organization.

8. From the date of its entry into force, the present Protocol shall be open for accession by all States mentioned in paragraph 6 which have not signed it as well as any other State invited to accede by the Executive Board of the United Nations Educational, Scientific and Cultural Organization. Accession shall be effected by the deposit of an instrument of accession with the Director-General of the United Nations Educational, Scientific and Cultural Organization.

9. The States referred to in paragraphs 6 and 8 may declare, at the time of signature, ratification or accession, that they will not be bound by the provisions of Section I or by those of Section II of the present Protocol.

10. (a) The present Protocol shall enter into force three months after five instruments of ratification have been deposited.

(b) Thereafter, it shall enter into force, for each High Contracting Party, three months after the deposit of its instrument of ratification or accession.

(c) The situations referred to in Articles 18 and 19 of the Convention for the Protection of Cultural Property in the Event of Armed Conflict, signed at The Hague on 14 May, 1954, shall give immediate effect to ratifications and accessions deposited by the Parties to the conflict either before or after the beginning of hostilities or occupation. In such cases, the Director-General of the United Nations Educational, Scientific and Cultural Organization shall transmit the communications referred to in paragraph 14 by the speediest method.

11. (a) Each State Party to the Protocol on the date of its entry into force shall take all necessary measures to ensure its effective application within a period of six months after such entry into force.

(b) This period shall be six months from the date of deposit of the instruments of ratification or accession for any State which deposits its instrument of ratification or accession after the date of the entry into force of the Protocol.

12. Any High Contracting Party may, at the time of ratification or accession, or at any time thereafter, declare by notification addressed to the Director-General of the United Nations Educational, Scientific and Cultural Organization, that the present Protocol shall extend to all or any of the territories for whose international relations it is responsible. The said notification shall take effect three months after the date of its receipt.

13. (a) Each High Contracting Party may denounce the present Protocol, on its own behalf, or on behalf of any territory for whose international relations it is responsible.

(b) The denunciation shall be notified by an instrument in writing, deposited with the Director-General of the United Nations Educational, Scientific and Cultural Organization.

(c) The denunciation shall take effect one year after receipt of the instrument of denunciation. However, if, on the expiry of this period, the denouncing Party is involved in an armed conflict, the denunciation shall not take effect until the end of hostilities, or until the operations of repatriating cultural property are completed, whichever is the later.

14. The Director-General of the United Nations Educational, Scientific and Cultural Organization shall inform the States referred to in paragraphs 6 and 8, as well as the United Nations, of the deposit of all the instruments of ratification, accession or acceptance provided for in paragraphs 7, 8 and 15 and the notifications and denunciations provided for respectively in paragraphs 12 and 13.

15. (a) The present Protocol may be revised if revision is requested by more than one-third of the High Contracting Parties.

(b) The Director-General of the United Nations Educational, Scientific and Cultural Organization shall convene a Conference for this purpose.

(c) Amendments to the present Protocol shall enter into force only after they have been unanimously adopted by the High Contracting Parties represented at the Conference and accepted by each of the High Contracting Parties.

(d) Acceptance by the High Contracting Parties of amendments to the present Protocol, which have been adopted by the Conference mentioned in subparagraphs (b) and (c), shall be effected by the deposit of a formal instrument with the Director-General of the United Nations Educational, Scientific and Cultural Organization.

(e) After the entry into force of amendments to the present Protocol, only the text of the said Protocol thus amended shall remain open for ratification or accession.

In accordance with Article 102 of the Charter of the United Nations, the present Protocol shall be registered with the Secretariat of the United Nations at the request of the Director-General of the United Nations Educational, Scientific and Cultural Organization.

IN FAITH WHEREOF the undersigned, duly authorized, have signed the present Protocol.

DONE at The Hague, this fourteenth day of May, 1954, in English, French, Russian and Spanish, the four texts being equally authoritative, in a single copy which shall be deposited in the archives of the United Nations Educational, Scientific and Cultural Organization, and certified true copies of which shall be delivered to all the States referred to in paragraphs 6 and 8 as well as to the United Nations.
